

1) K85-45.4

connection-kit for K85-55.0 and K85-62.0 series
connection: M16x1,5 high pressure hose
G3/8" / M16x1,5 adapter for K85
G3/8" bleed plug

2) K85-45.5

connection-kit for K85-13.0, K85-27.0, K85-60.0, K85-62 and K85-63 series
connection: M16x1,5 high pressure hose
G3/8" / M16x1,5 adapter with bleed hole

3) K85-45.6

connection-kit for K85 to K85
Anschluss: M16x1,5 high pressure hose
2 x G3/8" / M16x1,5 adapter for K85

general information

nominal diameter: DN2
working pressure: 300 bar @ 15 °C
working temperature: -20 to +50 °C
certification: hose CE 0786 acc. to CPR (VDS)
